Mamdouh El-Boghdady

Director

Shipping Agency

Lucky Dolphin Shipping Agency

Lucky Dolphin Shipping Agency was established in the late eighties at port of Suez as as owners representative and protecting ship agent.

at that time full shipping agency activities was in hand of Public sector companies as a monopoly, we were cooperating with them.

In the year 1990 the law was changed under the privatization policy, private sector allowed to form new shipping agencies, we were among the pioneers whom obtained full license from the Egyptian ministry of transportation for all kinds of vessels with open tonnage in all Egyptian Ports.

from the beginning we were known for honesty, reliability which built our high reputation and expanded our client's network world wide creating high growth situation, continuous growth and advanced management allowed Lucky Dolphin Shipping Agency to become one of the market leaders with branch offices in all Egyptian Ports

We Offer

Lucky Dolphin Shipping Agency, offers a wide range of shipping & logistic services. The company is involved in chartering, port agency, cargo agency, liner agency, Suez Canal transit agency and freight forwarding.

Lucky Dolphin

Save Time & Costs

WE provide reliable and professional services to many reputable ship owners, charterers, managers and traders.

Lucky Dolphin Shipping Agency handles vessels for more than 190 reputable satisfied clients all over the world.

We aim to..

provide the clients with first class services, updating and monitoring any changes to Suez Canal transit, or port authorities rules to benefit our clients. Lucky Dolphin Shipping Agency expertly manage flow of information, controlling and reducing your costs, protecting your interests in a professional way.

As a member of BIMCO, Lucky Dolphin Shipping Agency has direct access to the entire BIMCO Information network. This means we are able to use professional voyage estimate system and extensive port information database with the necessary technology to provide our clients with reliable and accurate information.
